- Understand the current research on ip6 and its usefulness in clinical medicine
- Understand the pathogenesis, diagnosis and management of acute coronary syndrome
- Recognize the causes of hypertension in children and understand the initial evaluation of hypertension in children
- Understand the management of severe mental illness
- Manage to identify and treat arrhythmias
- Recognize new methods in the treatment of inflammatory arthritides
- Able to recognize the dysmetabolic syndrome and its integrated management

Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Medical Society of the State of New York (MSSNY) through the joint sponsorship of Nassau University Medical Center (Nassau Health Care Corporation) and the Bangladesh Medical Association of North America. Nassau University Medical Center is accredited by MSSNY to provide Continuing Medical Education (CME) for physicians.

Nassau University Medical Center (Nassau Health Care Corporation) designates this educational activity for a maximum of 4.75 Category 1 credit(s) towards the AMA/PRA Physicians Recognition Award. Each Physician should claim only those hours of credit that he/she actually spent in the educational activity.

Disclosure

Nassau University Medical Center relies upon faculty participants in its CME programs to provide educational information that is objective and as free of bias as possible. In this spirit, and in accordance with the guidelines of the program sponsor, faculty participants are expected to indicate any commercial relationship that might be perceived as a real or apparent conflict of interest.
